ENTIRE AGREEMENT

This agreement contains the entire understanding between the Photographer and the Client. It supersedes all prior and simultaneous agreements between the Parties. The only way to add or change this agreement is to do so in writing, signed by all Parties. If the Parties want to waive one provision of this agreement, that does not mean that any other provision is also waived. The party against whom a waiver is sought to be effective must have signed a waiver in writing.

BOOKING / FEE DEPOSIT

The booking fee is due on the signing of this agreement. It is a non-refundable retainer to reserve your date. The final balance is due no later than 7 days prior to the wedding date. In the event that payment is not received by this time, a late fee of £50 per day will be applied to the outstanding balance until it is settled in full.

PRE-WEDDING CONSULTATION

This normally happens at the time of booking. The Clients will outline broadly what is required and the Photographer will advise on planning, logistics and timings where needed. If required the Clients are welcome to pop in for an additional chat closer to the time of the wedding (about 2 weeks) to iron out the remaining details. In any case, we will contact you by phone a few days before the wedding to ensure that there have been no last minute changes.

CONFIRMATION

A signed contract and booking fee are required to reserve the dates and times of the Event(s). If the Event(s) are rescheduled, postponed, or cancelled; or if there is a breach of contract by the Clients, the booking fee is non-refundable under any circumstances.

COOPERATION

The Clients and the Photographer consent to happily cooperating and communicating with each other to achieve the best possible result within the understanding of this contract. We recommend that the Photographer be provided with a helper (usually the best man) who will point out key individuals to be photographed. The Photographer may also require the assistance of the best man in organizing family groups. The Clients also agree to give the Photographer sufficient warning of key events at the wedding to give the Photographer time to prepare, e.g. Bouquet throwing, cutting the cake, speeches etc. Please note that not all guests at weddings like having their photo taken. In such cases the Photographer will use his discretion but cannot be held responsible for a lack of photos of these people.

FAILURE TO PERFORM

Due to the limited and subjective nature of the event the Photographer cannot be held responsible for requested photographs not taken or missed, lack of coverage resulting from weather conditions, or schedule complications caused by, but not limited to, anyone in or at the event, or by the church or location restrictions. The Photographer is not responsible for lost photo opportunities due to other cameras or flashes, lateness of the bride or groom, or other principles. The Photographer makes every effort to take requested photographs.

HOUSE RULES

Note the Photographers are sometimes limited by rules imposed by registrars, ministers and venue management as to what can and cannot be done. For example, some ministers insist that no flash photography is allowed, and others will insist that the Photographers shoot from a specific location. In such circumstances, the Clients agree to accept the technical limitations that may be imposed on the equipment used. We advise the Clients to make themselves aware of the rules of the venue concerned and, if necessary, negotiate with the personnel concerned.

COPYRIGHT

The copyright of photographs remains with the Photographer. The Photographer grants the Clients permission to make copies of the images under the following conditions. The images taken by the Photographer are for personal use by the Clients and their friends and relatives. Sale, Publication or any Commercial use of the photographs is not allowed without prior written permission from the Photographer.

POST PRODUCTION AND EDITING

The final post-production and editing styles, effects, and overall look of the images are left to the discretion of the Photographer. Altering and re-editing of images is not permitted by the Client or a third party is not permitted. The Client will not receive every image taken at the Event. The final selection of images is left to the discretion of the Photographer. All decisions made are in the best interest of the Client who will be given the highest quality selection from the images taken. Client understands the colouring and tones in the images will not be the same as in real life.

ARCHIVED IMAGES

The Client wedding photos will be archived by the Photographer for two years after your wedding day. The Photographer recommends backing up all images to an additional format, such as a hard drive or flash drive. The Photographer is not responsible for the storage of any images after they are delivered.

DELIVERY

Photos will be delivered after 1 calendar month after the wedding by a private online gallery that will display the digital images. The final images will be selected according to the sole discretion of the Photographer. Any requests for minor adjustments must be made within 2 days of receiving the gallery. After this period, the gallery will be considered final, and no further edits, additions, or changes to the images will be made.

CANCELLATION

If the Client has to cancel their contract with the Photographer and has already paid the booking fee, the booking fee will be non-refundable under any circumstances. If the Client cancels this contract six months before the wedding date stated in this contract, fifty percent of the remaining fee will need to be paid as a cancellation fee. If the Client cancels this contract three months or less before the wedding date stated in this contract, the remaining fee will need to be paid in full as a cancellation fee. Cancellation fees will need to be paid no later than two weeks after the official cancellation has been made.

LIMIT OF LIABILITY

If a photographer is ill or becomes injured and cannot supply the wedding services specified above, the Photographer will try to book a replacement wedding photographer. Under normal circumstances, a second photographer from the Photographer is there for the day anyway, and this photographer will then shoot the day on his/her own. If both photographers are unavailable and a replacement photographer cannot be found, then liability is limited to a refund of any payments received. The Photographers have

working methods in place to prevent loss or damage to your images. However, there is the unlikely possibility that images may be lost, stolen or destroyed for reasons in or beyond our control. In these circumstances liability is limited to the return of fees paid for the service or part thereof according to the percentage of images supplied.

I have read and understand the terms above. I hereby agree to the terms of this agreement.
